Seaforth & District Food Bank's First "Souper Saturday" Competition

Admission = Non-perishable Food Donation

Come out, have a little fun, and try some of the best soups you have ever tasted. Various chefs and excellent cooks from Huron East and afar, will vie for the title of "Best Soup Makers in Huron East". There will be two categories to choose from namely, clear and cream styled. The soups will be judged by a panel of gourmet aficionados, and sample tickets can be purchased at the door for a modest fee of 5 for \$5.00 with all proceeds going to the Food Bank.

This is a community fund raiser in aid of the Seaforth and District Food Bank, which counts on your generous support to continue its work in feeding some of the less fortunate in our community.

Let's have a little fun while we raise funds for the Seaforth Food Bank.

Come out and listen to some tunes, taste some soup and mingle with friends.
